---

The 2010 Winter Emergency Services Training Weekend Camp has been announced. It will take place on December 3rd - December 5th. Cadets and Senior Members are encouraged to attend. Details such as cost and gear requirements will be determined soon.

This camp will focus on preparing Cadets and Senior Members to receiving Ground Team certification. In addition, Cadets will experience life similar to what they might expect at an encampment. There is no rank or age requirement to attend. Squadron meetings will focus on preparing Cadets to attend this weekend. Cadets will need to bring their own gear but this list will be provided to the cadets later. A schedule of events will be developed and posted in the future as well.

Cadets, please make an effort to attend this event. It will be very informative as well as very fun. Please contact 2d Lt. Barnes with questions at [kurt.barnes@blackbaud.com](mailto:kurt.barnes@blackbaud.com).
